

## **Shiu Wai Ming Financial and Educational Assistance Fund**

The Shiu Wai Ming Financial and Educational Assistance Fund has been set up by Ms. Shiu Kee Mui, a True Light alumna, in memory of her father, Mr. Shiu Wai Ming, as well as his devotion to educating the youth. Founded in the academic year of 2008 – 2009, the Fund is meant to help needy students in every True Light School in Hong Kong to ease their financial difficulties in their studies or in their daily lives, and in particular, to provide maintenance subsidies to financially disadvantaged students for their participation in extra-curricular activities or taking of public examinations.

Throughout these years, the Fund has sponsored TLGC students every year for arrays of activities. A project named “Dream Comes True” has been initiated to fully sponsor a financially deprived student of outstanding all-round performance and with good conduct to join the Joint True Light Schools Summer Study Tour to broaden her horizons.

Money from the Fund has also subsidized a range of other activities including study tours to Xiamen and Guangzhou, gifted education programmes run by tertiary institutions and musical instrument classes. There are also one-off grants for students’ daily school expenses. Over \$1,100,000.00 has been granted in more than 1000 successful applications, offering financial relief to numerous students throughout the year.
