

## **Descendant of the Light**

I'm the descendant of the light,  
I won't laugh at my classmates' height,  
I won't do things that are not right,  
I won't be glad when others fight.

I'm the descendant of the light,  
I will forgive the naughty boy,  
I will give the poor a funny toy,  
I will bring my friends a lot of joy.

I'm the descendant of the light,  
I won't shout in the class,  
I won't step on the grass,  
I won't help my friends to do their tasks.

I'm the descendant of the light,  
I will work as hard as a cow in my test,  
I will tell my relatives that Jesus is the best,  
I will hand in the work that is not in a mess.
