

Theme: Miracle

Losing in a competition
Lost in a maze
Falling in the darkness of the world
Everything seems to be the worst
Disappointed, hopeless and sad
Are all the feelings that make you depressed

Whenever you think you can't do it
Like climbing a cliff or over a mountain
But you believe that is easy and try to do your best
When you look back a miracle appears
Everything seemed impossible
Now turn out successful

Life is a see-saw with ups and downs
We sometimes feel afraid,
We sometimes hesitate
But believe in yourself, there's always a miracle
