

Bill Gates

I admire you because of your intelligent,
You are very successful because you are diligent,
You design Microsoft word,
Which used by a lot of people all over the world.

You are rich but not selfish,
You set up Bill & Melinda Gates Foundation,
Which supply the poor student scholarship,
You are the most generous people in the world!

You are as busy as a bee,
You start being my idol from primary three,
I hope that you will design more useful program,
For the whole world world!

Can't you guess who is the boss of this company?
The company's boss is him – Mr. Bill Gates.
His company's computer serve is know by you and me.
That was the man that we would like to introduce.

Thank you!
