

Lang Lang

Born in Shenyang, a playful pianist at five,
Won the first place in the competition.
Lang Lang, at his sweet sixteen,
Won another first place with dedication.

From his classical music,
We see rivers as swift as deer.
From his poetic rhythm,
We find cloud as white as feather.

He is the king in the world of music
Praised by his fans.
He is the teacher in the field of music,
His performance is priceless.
