Eyes sparkled with indomitable spirit  
No legs or hands, just has a foot.  
Always full of verve.  
He is a miracle.

Live without limbs.  
But never give up.  
An extraordinary life,  
As marvellous as a grace.

Life's greater purpose.  
Is influencing and inspiring people.  
The astonishing strength of will,  
With passion of life  
Can encourage innumerable heart.
